

Heat Stress Control socks

FIA 8856-2018 HOMOLOGATED

To sport 100% Heat Stress Control apparels!

The socks pull out the sudation, keeping your feet comfortable and dry!

REMINDER

Impressive fires that took place in the car's preparation area (Pits, Paddock..) during various events reminded us all, that fire protection is a must have in these areas as well.

We cannot emphasize the importance to have everyone working in those areas to at least be dressed in certified fire retardant under wear (that includes socks these items are too often neglected), hood (balaclava), suits, gloves and boots.

Stock white HSC sock

Technical data

- Reinforced heels
- Sizes: From 38 to 46
